

Sign Up Sheet for Lynn Goldsmith's HOPE workshop

Instructions

Just read these and pick up the phone

We are trying to make this as simple as picking up a camera and shooting a picture. You can contact us via phone or e-mail and we will have **Natalie Peterson** of ski.com contact you and make all your travel arrangements for you. No, this is not a ski vacation or ski trip, although Natalie can do that for you, too. Natalie has made arrangements for a quick flight into Aspen from Denver. She can also make arrangements with most carriers that fly into Denver or set you up with just that part if you have your own travel agent do that. Additionally, Natalie can make your reservation at the Silvertree Hotel for your stay during the workshop. We have made arrangements for attendees to get very special pricing at the Silvertree Hotel. Calling the Silvertree on their regular reservation line will not get you pricing that is even near the rates that we have set up for the attendees at this workshop.

The options are yours. Call Natalie at Ski.com at **1.800.525.2052** ext **309** and make your reservations directly with her. Or you can contact her via e-mail at natalie@ski.com and she will contact you.

If you want, you can contact us at Advanzio. Our phone number is **714.840.4737**. We will get some preliminary information to you and answer a lot of your questions. You can also contact us via E-mail at advanzio@yahoo.com.

You will not need to pack a lot of equipment. Just pack your digital camera and your clothes for your six day stay in the Rockies. Just remember, it does get cool in the evenings. After you have made your reservations for your stay, we will contact you and sign you up for the workshop. At that time we will find out what other arrangements may be needed for special dietary needs and other items that may be of concern.

We look forward to hearing from you and helping you.
